► UPLOAD (PDF ONLY)

The Mondo Lounge Media Guide upload is designed to assist in proper PDF file creation and submission. After submitting PDF file to our portal, you will receive email notification that the ad was received. These verifications include a copy of your ad, and to help ensure there are no problems with the file. This same notification is sent to our production team to inform them that your ad has been submitted and is ready for placement.

FILES CANNOT EXCEED 60MB

PDF trim boxes must be set for 5.375" x 8.5". Please note our ad dimensions and keep all trim, register and color indicators out of the PDF final. Files must be 300 DPI and in CMYK
